Disability & Diversity: A Universal Model for Success in Higher Education

DISABILITY & DIVERSITY PROJECT SCHOLAR BRIEF SPRING 2010

SCHOLAR SPOTLIGHT: Dr. Lisa Brewster is a faculty member in the Speech Communications Department at San Diego Miramar College and currently serves as the San Diego and Imperial Valley Regional Network Coordinator for the Basic Skills Initiative. She is also a **Disability & Diversity Scholar** developing trainings and materials for Universal Design and incorporating technology in the classroom.
Here are some of the exciting materials that Dr. Brewster has created:

- Study tips for all students http://sites.google.com/site/drlisabrewster/how-to-study-learn
- Classroom technology tools that can help students process information http://sites.google.com/site/drlisabrewster/speech-103/103-class-documentation
- **Free** and easy to use technology tools to implement in your classes http://sdivn.edulounge.net/2009/11/18/develop-a-website/

SCHOLAR SPOTLIGHT

Dr. Lisa Brewster

The **Disability & Diversity Project** goal is to enhance the knowledge and skills of administrators, faculty, and staff through a universal model linking disability and diversity in postsecondary education. This project was supported by Grant # P333A050020 awarded by the U.S. Dept. of Education – Office of Postsecondary Education.

For more information about this project please visit the Disability and Diversity website: http://highered.sdsu.edu/
