N. Patent

September 3, 2007. U.S. Patent No. 7,266,340 B2. Serial No. 10/993,321. Filed November 19, 2004.

Bresciani, M. J. *Systems, Methods, and Computer Program Products for Standardizing Expert-Driven Assessments*. North Carolina State University's patent number 03-S07, which names Marilee J. Bresciani as sole inventor, relates to systems, methods and computer program products for standardizing expert-driven educational assessments. The application broadly covers techniques that capture assessment methodologies and observations and normalize the captured data to generate assessment reports that can be used across courses, departments, institutions and/or regions. The patent application also covers conceptual details of the assessment methodologies, observation gathering, normalization and reporting.
